I like Kleos alot because they
take care of you and they feed you
good. The Staff are nice and the other
kids are nice to we do fun things
in a family like diamond lake, crater lake,
moves, bike rides, and we play cards together.
The school is nice and the teacher is
nice so us we do fun things on
fridays like bowling, golfing, skating on
fridays. Gordon loves us alot and he
shows it to us.
